

Rehan Uddin

Full Stack Web Developer

MERN & PHP

About

I'm an enthusiastic and dedicated Web Developer familiar with MERN stack (MongoDB, Express, React, Node JS). I contributed for 4 years at logic software as a Software Engineer (PHP, MySQL). I have strong foundation in both front-end and back-end development. I create dynamic, scalable, and user-interactive web applications that meet modern industry standards.

Portfolio: rehanuddin-portfolio.netlify.app
